Job Title: Wildlife Control Operator

Location: Central Michigan Wildlife Services  
3010 W. Arnold Lake Rd.  
Harrison, MI 48625

Send Resume: [cmwildlifeservices@gmail.com](mailto:cmwildlifeservices@gmail.com)  
Attn: Mark Cook

**Job Description:**

We are seeking a dedicated and skilled Wildlife Control Operator to join our team. As a Wildlife Control Operator, you will be responsible for managing and controlling wildlife populations in various environments, ensuring the safety of both humans and animals. This role requires a combination of construction experience, living the outdoor life, computer proficiency, and marketing focus on nuisance animal removal along with having technology experience with GPS systems.

**Responsibilities:**

- Conduct wildlife control operations using safe and humane methods.
- Utilize construction experience to implement and maintain wildlife control structures and systems.
- Live and thrive in outdoor environments, adapting to various weather conditions and terrains.
- Utilize computer skills to record data, generate reports, and manage wildlife control operations efficiently.
- Implement marketing strategies to promote wildlife control services and attract new clients.
- Demonstrate proficiency in using GPS systems to navigate and locate customer locations.
- Monitoring trail cameras and associated apps
- Work independently and proactively to identify and address wildlife control issues.
- Maintain a high level of trustworthiness, critical thinking skills and professionalism in all interactions with clients and team members.

**Requirements:**

- Previous experience in construction or a related field.
- Passion for the outdoor lifestyle and comfort with outdoor work environments.
- Proficiency in computer skills, including data entry, report generation, and marketing.
- Familiarity with technology, particularly GPS systems, for navigation, trail cameras and apps, and data collection.
- Self-starter with the ability to work independently and efficiently.
- Excellent communication and interpersonal skills.
- Strong problem-solving and critical thinking abilities and attention to detail.
- Must be able to lift 70 pounds.
- Trustworthy and reliable work ethic.

Starting wage: \$15.00 - \$19.00 depending on skill level. NWCOA certifications are required to advance wages.
